- I represent information, statements, and answers on this form, and any attachments, are complete and true to the
  best of my knowledge. They are a part of this request for coverage under the group policies. I agree Principal Life
  Insurance Company is not liable for anyone's claim which happens or begins before the effective date of coverage or
  approval of any life and disability coverage.
- I have read, or had read to me, the questions and responses and realize any false statements, omissions or material
  misrepresentation regarding age or health information could cause life and disability coverages, if issued, to be
  cancelled as never effective.
- It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.
- If approved for life and disability coverages, all policy provisions will apply including, but not limited to, preexisting conditions restriction, the Actively at Work and Period of Limited Activity provisions.
- I understand an insurance producer cannot change or waive any rates, benefits, or provisions of any policy, if issued, without the written approval of an officer of Principal Life Insurance Company.
- For life and disability coverages, I authorize any doctor, health care provider, hospital, clinic or medically related facility, insurance company, consumer reporting agency or employer, that has any personal information, including physical, mental, drug or alcohol use history, regarding me or any dependent, to give to Principal Life Insurance Company, its insurance producers and employees performing business transactions, any such data.
- I authorize Principal Life Insurance Company to release any such data as required by law. When signed in connection with any application for, reinstatement of, or request for change in benefits, this form shall be valid for two years after the date shown below.
